	There is no Govt school in the Baiasaniwa village. An aided school was opened here on 1st July 1914 under the new Grant-in-aid rules and a grant of Rs 7 per mensem sanctioned by me. It is for this school apparently that the site is required. As the villagers have already deposited Rs 415, the site may I think, be acquired and given on condition that both the site and the building to be constructed on it will be handed over by Govt for the educational purposes.
